BAcC data protection matters - contact from third parties

From time to time the BAcC receives requests to provide your mailing address or practice contact data to individuals or organisations. On each occasion we find out exactly what the purpose of the mailing or contact is going to be and decide whether it is in your interests as a practitioner or in the interests of the acupuncture profession as a whole. We then ask the person requesting the information to sign our Data Agreement and sell them the data for a one-off mailing or contact.

We might also be asked to provide your contact details to our PR company who may wish to feature you in, for example, articles, television or radio. Your contact data might also be used for marketing.

This is your opportunity to tell us if there are certain mailing/contacts you **would prefer not** to receive in the future. Listed below are the most common reasons for which you might be mailed or contacted. The default for all options currently is 'yes' so if you **would prefer not** to receive one of these categories, please tick the box next to the item. Go through the full list indicating by a tick the ones you **would prefer not** to receive, then add your name, signature, membership number and the date and return this sheet to us.

If you have any queries, please call the office on 020 8735 0400.

		Would prefer not to receive
